General conditions that apply to all sections of your policy

You must keep to these conditions to have the full protection of your policy. If you do not, and the condition you have not kept to relates to a claim, we can refuse the claim.

1. Precautions

Throughout the **policy year** you must take all reasonable steps to:

- Maintain **your pet's** health.
- Provide a secure and safe environment for **your pet** to prevent **injury, illness**, theft or straying.
- Control **your pet** to prevent injury to a person or another animal and damage or destruction to any property.

If **we** state that **you** have not taken reasonable steps and **you** disagree, **we** can appoint an independent national welfare organisation or **vet**, mutually agreed upon for their opinion. If **you** ask for this to be done, **you** agree to accept the independent opinion and **we** will also do the same. **We** will pay any costs relating to this.

2. Providing routine care – what you need to do

You must make sure the following care is provided for **your pet**:

- **Dental care – your pet** must have a dental examination by a **vet** at least once every 12 months. Any treatment recommended as a result of this examination must be carried out within 3 months of the examination taking place.
- **Preventative actions – you** must take any actions normally recommended by a **vet** to prevent or reduce the risk of **injury/illness**. Examples of this are (but not limited to) regular worming and flea treatments and providing a healthy diet.
- **Vaccinations – your pet** must be kept vaccinated against:
For dogs - distemper, hepatitis, leptospirosis and parvovirus.
For cats - feline infectious enteritis, feline leukaemia and cat flu.
If not, **we** will not cover any amount for the **illness** which has not been vaccinated against.

3. Providing timely veterinary attention

If **your pet** is unwell and shows signs of an **injury/illness** you must arrange for a **vet** to examine and treat **your pet** as soon as possible. **You** must follow any advice the **vet** gives; if **you** do not, any claim relating to that **injury/illness** will not be covered by the policy.

If there is a delay in arranging **veterinary treatment** and **we** believe this resulted in additional costs, **we** will not pay the additional costs. If **we** state the delay resulted in additional costs and **you** disagree, **we** can appoint an independent **vet**, mutually agreed upon for their opinion. If **you** ask for this to be done, **you** agree to accept the independent opinion and **we** will also do the same. **We** will pay any costs relating to this.

4. Ownership of your pet and your residence

- You** must be the owner of **your pet**. **Your** cover will stop immediately if ownership is transferred to another person or organisation.
- You** and **your pet** must live in the **UK** at the address shown on **your Certificates of Insurance**. If **you** address, or the address of **your pet**, changes **you** must tell **us** as soon as possible as this can affect the cover **we** provide.

5. If your pet was unwell before your cover started

Your policy will never cover any **injury** that happened,

or any **illness** that showed **clinical signs**, before **your** cover started. This is regardless of whether:

- **You** knew at the time of taking cover that **you** would need to make a claim for the **clinical sign, injury** or **illness**.
- **We** place an exclusion for the **injury/illness**
- **We** remove any exclusion (as in point 6 below).

For further details please read the definition 'pre-existing condition'.

6. Extra exclusions that can apply to the cover for your pet

We can place exclusions on **your** policy at the start of **your** cover based on **your pet's** veterinary history and **your** answers to **our** questions. **We** can also place exclusions during the **policy year** but **we** can only do this if **we** find out, that when **we** asked during **your** application, **you** did not tell **us** about something or **you** provided **us** with inaccurate information (regardless of whether or not **you** thought it was accurate at the time). In these cases the exclusion(s) will be placed back to the start of **your** policy.

An exclusion is a condition, group of conditions or event which is usually covered under the policy, but isn't for **your pet**. Exclusions are in addition to what is stated as not covered within these Terms and Conditions. Any specific exclusions on the cover for **your pet** are shown on **your Certificates of Insurance**. **Your** policy does not cover any claim that results from an **injury, illness** or incident which falls under any exclusion placed on **your** policy. Some exclusions are temporary and on **your** request may be removed by **us** providing certain criteria are met. If **you** would like to discuss any exclusions on **your** policy please contact **us**. *Please also read point 12b) in this section which explains when we can limit or remove Third Party Liability cover at renewal.*

7. If your pet shows signs of an illness within 14 days of your cover starting

Your policy does not cover any **illness** that shows **clinical signs** in the first 14 days of **your** cover starting. This only applies in **your** first policy year and does not apply when **you** renew **your** policy with **us**. *For further details please read the definition 'illness which starts in the first 14 days of cover'.*

8. If your pet is missing when the policy is taken

If **your pet** is missing when **you** first take **your** policy, the cover under this policy will not start until **you** are reunited with **your pet** and any incident, **injury** or **illness** which occurs before **you** are reunited will not be covered by **your** policy.

9. Providing information

You agree:

- To give **us** any information and documents **we** ask for to administer **your** policy and deal with **your** claim.
- That any **vet** or **therapist** has **your** permission to give **us** any information **we** ask for about **your pet**. If a charge is made for this, **you** must pay the charge.

10. Paying your premium

- Your pet** is only covered under this policy if **you** pay the premium. If **you** pay by Direct Debit instalments and **you** miss an instalment, **you** must pay the outstanding amount within the timescales

stated in the reminders we send **you**. If **you** do not, **we** will cancel **your** policy back to the last day **you** have paid for cover. All cover for **your pet** will stop from that date and no further claims will be paid.

- b) When **we** settle **your** claim, if there are any premiums overdue, **we** will deduct the outstanding amount from the claim payment.

11. **Renewing your policy**

Your policy is in force for 12 months providing **you** continue to pay **your** premium. Every 12 months **you** need to renew this insurance contract to continue with **your** cover. **We** will contact **you** before **your** renewal date with full details of **your** premium, excesses, policy coverage and Terms and Conditions for the next **policy year**. If **you** pay **your** premium by Direct Debit instalment, when **your** policy is due for renewal **we** will renew it for **you** automatically. If **you** do not want to renew **your** policy **you** need to let **us** know before **your** renewal date. If **you** pay by any other means, **you** need to contact **us** to confirm **you** want to renew **your** policy and to pay **your** premium.

12. **The changes we can make at the renewal of your policy**

- a) At renewal of **your** policy **we** can change the:

- Premium,
- Excesses that **you** pay, and/or
- Terms and Conditions of **your** policy.

We will always tell **you** before **your** renewal date of any changes so **you** can consider if **your** policy still meets **your** needs.

- b) For dogs, at renewal **we** can limit or remove *Third Party Liability* cover based on a review of **your dog's** behaviour. For example (but not limited to) any aggressive tendencies shown, any incidents where **your dog** has caused injury to a person/ another animal or any health conditions which can affect how **your dog** behaves. *Third Party Liability* cover is not provided for any cat.

13. **The changes we can make during the policy year**

Changes will only be made to **your** policy at renewal. **We** will not change the cover **we** provide for **your pet** during the **policy year**, unless:

- **You** decide to change **your pet's** cover.
- **You** did not tell **us** about something when **we** previously asked.
- **You** provided **us** with inaccurate information when previously asked, regardless of whether or not **you** thought it was accurate at the time.

14. **Keeping us informed of certain information**

Throughout **your** policy **you** need to tell **us** about certain information. The things **you** need to tell **us** about are detailed in **your Certificates of Insurance** and it's important **you** check any new documents **we** send to understand the information **we** need. If **you** do not provide **us** with the full and accurate information it can result in a claim not being paid or affect the cover **we** provide.

15. **Upgrading cover**

If a higher plan is available for **your pet** **you** can apply for an upgrade at renewal of **your** policy. The upgrade is not guaranteed and **we** will let **you** know if **we** can offer the higher plan once **we** have reviewed **your pet's** veterinary history.

16. **If you are a member of veterinary staff**

If **you** are a **vet**, **you** can treat **your pet** but another **vet** must countersign the claim form. If **you** are a

veterinary nurse **you** cannot complete the veterinary practice part of **your** own claim form.

17. **Claim decisions over the telephone**

We will not guarantee on the phone if **we** will pay a claim. Once **we** have received a fully completed claim form and all of the supporting information, **we** will assess **your** claim and only then will **we** be able to let **you** know if **we** will pay the claim. *Information about making a claim can be found on page 20.*

18. **Other insurances**

We will not make any payment for any claim that results from an incident covered by any other insurance. If there is any other insurance under which **you** are entitled to make a claim **you** must report the incident to that insurance company and tell **us** their name and address and **your** policy and claim number with them.

19. **Legal rights against another person**

If **you** have any legal rights against another person in relation to **your** claim, **we** can take legal action against them in **your** name at **our** expense. **You** must give **us** all the help **you** can and provide any documents related to the claim that **we** ask for.

20. **Cover outside of the UK**

- a) All sections of **your** policy provide cover when **your pet** is in the **UK**; the following sections also provide cover when **your pet** is outside of the **UK** in the **EU countries** - *Veterinary Fees, Advertising and Reward, Emergency Repatriation, Quarantine Expenses and Loss of Documents and Holiday Cancellation*. For these sections, **your pet** is covered outside the **UK** for 90 days in each **policy year**. If **your pet** will be outside the **UK** for longer than this **you** must let **us** know as soon as possible as this can affect the cover **we** provide.

- b) When **your pet** is outside the **UK** travelling to the **EU Pet Travel Scheme (PETS)**, Full details of the **EU Pet Travel Scheme (PETS)** can be found on the UK government website www.gov.uk or **you** can call the Pet travel helpline on 0370 241 1710. It's important that **you** check the gov.uk website or contact **your vet** at least four months before travelling to get the latest advice.

- c) **You** must not take **your pet** outside of the **UK** if a **vet** has advised against it. If **you** do, **your pet** will not be covered when outside of the **UK**.

- d) When **your pet** is outside of the **UK** if any government or public authority puts restrictions on him/her, **we** will not pay any costs relating to this.

- e) All claim forms and supporting documentation must be written in English. It is **your** responsibility to provide this and to pay for any translation costs.

- f) If **your pet** moves out of the **UK** to live in another country **you** must tell **us** as soon as possible. **Your** cover will stop on the day **your pet** leaves the **UK**.

21. **Jurisdiction**

- a) The laws of England and Wales apply to this insurance contract.
- b) Unless **we** agree otherwise, the language of the policy and all communications relating to it will be in English.

22. **When you can cancel your policy**

You can cancel **your** policy at any time. If **you** cancel this policy in the first 14 days:

- Of **your first policy year** - **we** will refund all of the premium **you** have paid.

- After **your** renewal date - **we** will refund any premium **you** have paid for cover after that renewal date. If **you** cancel at any other time, **we** will refund any amount **you** have paid for cover after the cancellation date.

23. When we can cancel your policy

We can cancel **your** policy at any time if **you** have been dishonest or fraudulent in any dealings with **us** or if **your vet** or a welfare organisation advises **us** that **you** have been negligent towards **your pet**. **We** will give **you** 7 days' notice in writing to the address on **your Certificates of Insurance** and will refund any amount **you** have paid for cover after the cancellation

date. **We** can also cancel **your** policy if **you** do not pay **your premiums**. For details on this please read point 10 in this section - '**Paying your premium**'.

24. Cover following cancellation of a policy or removal of a section

- If a section of cover is removed from **your** policy (by **you** or **us**) all cover in that section stops on the date the section is removed.
- If **your** policy is cancelled or comes to an end for any reason, all cover for **your pet** will stop on the date the policy is cancelled/ends and no further claims will be paid.

Cover

At Petplan, we're proud of the insurance **we** provide for pets – in fact, **our** reputation for first class cover is one of the reasons we're trusted by more pet owners to insure their pet's than any other provider. In return for the correct premium, **we** will provide cover for the following sections if they are shown on **your Certificates of Insurance**.

Our Covered For Life promise

You have chosen a Covered For Life policy which means **we** will provide ongoing cover for **illnesses** and **injuries**, year after year. To benefit from this ongoing cover **you** must keep paying **your** premiums and renew **your** policy with **us** every 12 months (without any break in cover).

Veterinary Fees

Cover in this section applies when **your pet** is in the **UK** and the **EU countries**

What we will pay

The cost of **veterinary treatment your pet** has received during the **policy year** to treat **injury** and **illness**.

This section also covers treatment of a behavioural illness and physiotherapy needed to treat **injury** and **illness** (for the purpose of this insurance, *physiotherapy does not include any form of hydrotherapy*).

Complementary Treatment

Cover in this section applies when **your pet** is in the **UK** only

What we will pay

The cost of any examination, consultation, advice, test and legally prescribed medication for the following, when carried out for **your pet** during the **policy year**, to treat **injury** and **illness**:

- Acupuncture
- Chiropractic manipulation
- Herbal medicine
- Homeopathy
- **Hydrotherapy** – *we will cover 10 sessions for each injury and illness. You must read point 3 on page 9 to understand this session limit.*
- Osteopathy

A **vet** must refer **your pet** for the treatment and confirm to **us** when **you** claim that it is required to treat the **injury** or **illness**.

To be covered under the policy, the treatments under both sections must be carried out by a person holding certain qualifications or membership of certain organisations. Full details can be found on page 12 in 'Who needs to carry out Veterinary Fees and Complementary Treatment?'

Our Covered For Life promise

We will provide ongoing cover for **illnesses** and **injuries**, year after year, providing **you** continue to pay **your** premium and renew **your** policy each year (without any break in cover). **Your** policy provides an amount of money in each **policy year** for **you** to claim for all **illnesses** and **injuries**. This is called the **maximum benefit**. **You** have one **maximum benefit** for *Veterinary Fees* and a separate **maximum benefit** for *Complementary Treatment*. The amount **you** can

claim for each section, in each **policy year**, is shown on **your Certificates of Insurance**. Every 12 months, if **you** renew **your** policy, the **maximum benefits** are replenished and **you** will again have the full amounts to claim from in the next **policy year**. If **your** cover is cancelled or stops for any reason (including when the premiums are not paid), all cover for **your pet** will end and no further claims will be paid.

What you pay – your excess

Both the *Veterinary Fees* and *Complementary Treatment* sections have excesses. The excesses are the amounts you pay when you claim and these are deducted from your claim settlement(s). The excesses you pay under these sections are explained on your **Certificates of Insurance**.

What we will not pay under Veterinary Fees and Complementary Treatment

1. The cost of any treatment for a **pre-existing condition**.
2. The cost of any treatment for an **illness which starts in the first 14 days of cover**.
3. The cost of any treatment to prevent **injury or illness**.
4. The cost of any treatment, diagnostic or procedure that you choose to have carried out, which:
 - The **vet** confirms is not necessary, or
 - Is not related to an **injury or illness**.**We** will also not pay for any complications that arise from these treatments/procedures.
5. The cost of killing and controlling fleas and the cost of general health improvers.
6. The cost of any treatment in connection with breeding, pregnancy or giving birth.
7. The cost of treating any **injury or illness** deliberately caused by you or anyone living with you, or when outside the **UK**, anyone travelling with you.
8. The cost of any charges made for the completion of claim forms or the cost of any supporting documentation needed as part of your claim.
9. The cost of any treatment in connection with false pregnancy if your pet has received **veterinary treatment** for more than 2 episodes of false pregnancy.
10. The cost of surgical items that can be used more than once.
11. The cost of a post-mortem examination and/or report.
12. The cost of transplant surgery, including any pre- and post-operative care.
13. The cost of transporting your pet, including any costs to get your pet to, or from, any veterinary practice.

It's important that you also read '*Conditions for Veterinary Fees and Complementary Treatment*' and '*Who needs to carry out Veterinary Fees and Complementary Treatment?*' on pages 9 and 12. These sections also explain limitations and areas the policy does not cover.

Conditions for Veterinary Fees and Complementary Treatment

You must keep to these conditions to have the full protection under these sections. If you do not, and the condition you have not kept to relates to a claim, we can refuse the claim.

1. Timescales for making a claim

You must send us your claim no later than one year after your pet received treatment. Any claims we get after this time will not be covered by the policy. If treatment is ongoing you must make sure that claims are sent to us at least once every 12 months.

2. The costs relating to putting your pet to sleep

Your policy does not cover the cost of putting your pet to sleep. We will not cover the cost of veterinary consultations/visits or prescribed medications needed to carry out the procedure or the cost of having your pet cremated, buried or disposed of.

3. The number of hydrotherapy sessions you can claim for

We will pay for 10 sessions of hydrotherapy for each separate illness or injury. Once this session limit has been reached, all cover for hydrotherapy for that illness/injury ends and the policy will never cover any further sessions. This is the case, regardless of whether the hydrotherapy for that illness/injury takes place in the same, or future policy years.

4. The maximum benefit that we will pay

Please read '*Our Covered For Life promise*' on page 8 to find out more about information about the maximum benefit. The most we will pay for the cost of treatment is the maximum benefit that applies on the date the treatment is carried out. If the claim includes medication, the cost of the medication will be taken from the maximum benefit that applies on the date the medication will be used.

5. An illness which was first noticed before your policy started or in the first 14 days of cover

If your pet suffers from an illness:

- Before your policy starts, or
- In the first 14 days of your pet's first policy year,

Any costs relating to that illness will never be covered by your policy. If, at a later time (days, weeks, months or years) an illness with the same diagnosis presents in the same or different parts of your pet's body, we will not cover any costs to treat that illness. This is regardless of whether your vet confirms the past and current illnesses are, or are not, linked. For example (but not limited to), if your pet develops a cataract in his/her left eye in the first 14 days of the first policy year, that cataract is not covered and the policy will also not cover any other cataracts which develop in either the left or right eye.

6. Another vet reviewing your pet's details

We can refer your pet's case history to a vet that we choose and if we request, you must arrange for your pet to be examined by this vet. We will pay any costs for this.

7. If you want a second opinion

If you decide to take your pet to a different vet or therapist for a second opinion because you are unhappy with the diagnosis or treatment provided, you must tell us before you arrange an appointment with them. If you do not, the costs relating to the second opinion will not be covered by us. If we request, you must use a vet or therapist we choose. If we decide the diagnosis or treatment currently being provided is correct, we will not cover any costs relating to the second opinion.

8. If you claim over £36,000 during your pet's life

As your pet is insured on a Covered For Life plan, we fully appreciate that the amount you claim can add up over the years – that's what is great about Covered For Life, you can continue to claim for the life of your pet (providing you continue to pay your premium and renew your policy without a break in cover). If over

the life of **your pet** you have claimed over £36,000, to make sure **your pet** is receiving the best treatment available, **we** can require one or more of the following:

- Before any further **Veterinary Fees** or **Complementary Treatment** claims are considered **your pet** needs to be examined by a specialist/consultant **vet** that **we** choose. **We** will pay any costs for this.
- All future veterinary treatment and complementary treatment (other than emergency life-saving treatment) needs to be authorised by **us** before treatment is carried out. A pre-authorisation claim form needs to be submitted and **we** will then let **you** know if **we** will pay for the cost of treatment.
- All future veterinary treatment and complementary treatment needs to be carried out in conjunction with a specialist/consultant **vet** or **therapist** that **we** choose.

If any of these are necessary **we** will contact **you**.

9. The cost of house visits

We will cover a house visit if this is needed for the treatment of a behavioural illness. In all other cases, **we** will only cover a house visit, if this is by a **vet** and:

- **Your pet** was suffering from a life-threatening **injury** or **illness**, and
- That moving **your pet** was likely to have resulted in his/her death or significantly worsened the life-threatening **injury** or **illness**.

We will not cover any costs if the house visit was needed because of **your personal circumstances**. The attending **vet** needs to confirm all of the above when **you** claim.

10. The cost of out of hours treatment and hospitalisation

We will only cover the cost of **your pet** being:

- Treated outside of the veterinary practice usual opening hours, and/or
- Admitted into the care of a veterinary practice (also known as hospitalisation),

If there was no option but to take this action as any alternative would have seriously endangered **your pet's** life. **We** will not cover any costs if this action was needed because of **your personal circumstances**. The attending **vet** needs to confirm all of the above when **you** claim.

11. The cost of procedures you can carry out

There can be times when a **member of a veterinary practice** or a **therapist** asks **you** to provide treatment for **your pet**. For example (but not limited to) giving tablets, applying ear drops, taking a urine sample, carrying out physiotherapy etc. If **you** are not able to carry out the treatment due to **your personal circumstances**, **we** will not cover the cost of any other person or professional carrying out the treatment.

12. The cost of dental treatment

We will cover the treatment of a dental **injury** or **illness** if:

- **Your pet** had a dental examination by a **vet** in the 12 months before the first **clinical signs** of the **injury** or **illness** were seen, and
- Any treatment recommended as a result of the last dental examination was carried out within 3 months of the examination taking place.

13. The cost of feeding your pet

We will only cover the cost of food for the below two reasons:

- If a diagnostic test shows **your pet** has stones and/ or crystals in urine **we** will pay for the cost of food to dissolve these. **We** will cover 40% of the cost of the food for a) up to 6 consecutive months, or b) until a diagnostic test shows the stones/crystals have dissolved, whichever happens first. After this time, if the stones/crystals have not dissolved in full or they recur, the cost of any further food will not be covered by **your** policy.
- If **your pet** needs liquid food while hospitalised at a veterinary practice, **we** will cover the cost of this for 5 days providing the **vet** confirms it is essential to keep **your pet** alive.

We will not cover the cost of any other food and this is regardless of whether or not the food was prescribed by a **vet**.

14. The cost to neuter your pet

The only time **we** will cover the cost of neutering **your pet** is if it is carried out when **your pet** is suffering from an **injury** or **illness** and neutering is essential to treat that **injury** or **illness**. **We** will not cover the cost of spaying following a false pregnancy or neutering to treat a behavioural illness. Regardless of why **your pet** is neutered, if he/she suffers from complications during or after the procedure, **we** will cover the cost of treatment needed to deal with the complications.

15. The cost to vaccinate your pet

We will not cover the cost of vaccinations; however, if **your pet** suffers complications during, or after, a vaccination, **we** will cover the cost of treatment needed to deal with the complications. *This does not apply if **your pet** must be vaccinated against an illness as part of a compulsory mass vaccination programme, for details of this please see General Exclusions point 2b) on page 19.*

16. The cost of bathing and grooming your pet

We will only cover the cost of bathing **your pet** if it is done by a **member of a veterinary practice** and the substance being used, according to manufacturer's guidelines, can only be administered by a **member of a veterinary practice**. **We** will not cover bathing if this is needed because of **your personal circumstances**. **We** will never cover the cost of grooming and/or de-matting **your pet**.

17. The cost of treating a behavioural illness

We will cover the cost of treating a behavioural illness, which for the purpose of this insurance, is a change to **your pet's** normal behaviour that is caused by a mental or emotional disorder. **We** will not cover any behavioural illness which could have been prevented by training and/or neutering. The treatment must be carried out by a person who fulfils the requirements in 'Who needs to carry out Veterinary Fees and Complementary Treatment?' in the 'Treatment of a behavioural illness' section on page 12.

18. Pheromone products and other products used to calm and de-stress your pet

Products can be used to try to calm and/or de-stress **your pet**. **We** will only cover products used for this purpose which are pheromone based. **We** will not cover any other products which do this. Pheromone

products mimic natural pheromones, such as the pheromones a mother naturally emits to her young after birth. Examples of pheromone products are (but not limited to) Adaptil and Feliway.

The cost of pheromone products are then only covered when used as part of a structured behaviour modification programme which is in place to treat a behavioural illness. For the purpose of this insurance, a behavioural modification programme is a programme written by a behaviourist detailing specific techniques to be used and action to be taken with the aim of permanently changing **your pet's** behaviour. This programme must be written by a person who fulfils the requirements in 'Who needs to carry out Veterinary Fees and Complementary Treatment?' in the 'Treatment of a behavioural illness' section on page 12.

When this programme is in place, for each separate behavioural illness **you** can claim for the cost of pheromone products to be used for up to 6 consecutive months. After this time, if the behavioural illness is not fully resolved or it recurs, **we** will not cover the cost of any further pheromone products for that behavioural illness, either in the same or future **policy years**.

19. The cost of equipment or machinery

We will not cover the cost of buying or hiring any type of equipment, machinery, animal housing or cages. These costs are never covered by the policy and this is regardless of whether:

- A **vet** advises the item is required as part of treatment for an **illness** or **injury**, or
- The item is required due to **your personal circumstances**.

Examples of equipment and machinery are (but not limited to) home glucose monitors, sharps bins, paw protectors, heat pads etc.

20. The cost of treating a retained testicles

We will cover the cost of treatment which is in connection with a retained testicle(s) if **your pet** was aged 12 weeks or under when his cover started. There is no cover for this if **your pet's** cover started when he was any older.

21. The cost of artificial body parts

We will cover the cost of hip, knee and elbow joint replacements. **We** will not cover the cost of any other prosthesis (also known as artificial body parts) or any costs which are related in any way to any other prosthesis.

22. Paying for treatment within required time frames

It is **your** responsibility to ensure the veterinary practice or **therapist** is paid within the required time frame:

- If an additional charge is added to the cost of treatment due to the late payment of fees, **we** will deduct this charge from the claim settlement.
- If a discount is provided for paying the costs within a certain time frame, **you** must provide payment within this time frame. If **you** do not, **we** will deduct the discount, which would have been provided, from the claim settlement.

23. Dealing with your veterinary practice

- a) If a veterinary practice asks **us** for information about **your** insurance cover and **we** agree to provide it, **we** will only do this if the veterinary practice confirms they:
- Recently provided treatment for **your pet**, or
 - Have spoken with **you** about providing treatment for **your pet** in the near future.
- In these cases, **we** will only tell the veterinary practice if **you** have an active insurance policy with **us** for **your pet**, and if **you** do – the date cover started, the type of cover in place, the monetary limits of **your** policy, the excesses **you** pay and if any exclusions have been placed on **your** cover.
- b) If **you** have a valid claim, **we** can usually pay the veterinary practice directly; however, if **you** ask **us** to do this, **we** have the right to decline the request.

24. Complementary and alternative treatments

- a) **We** will pay for acupuncture, chiropractic manipulation, herbal medicine, homeopathy, hydrotherapy and osteopathy under the *Complementary Treatment* section of cover. **We** will not pay for any other complementary or alternative treatments. **Your pet** may need some **veterinary treatment** to support a complementary/alternative treatment. The cost of this **veterinary treatment** is covered under the *Complementary Treatment* section of cover when needed for the treatments listed above; **we** will not cover these costs for any other complementary or alternative treatments.
- b) Under the *Veterinary Fees* section of cover **we** will not pay for any complementary or alternative treatments. **We** will also not pay for any **veterinary treatment** specifically needed to support any complementary or alternative treatments.

25. Veterinary Fees outside the UK

We will only provide cover under the *Veterinary Fees* section when **your pet** is outside the **UK**, in the **EU countries**, if:

- A **vet** believes the treatment cannot be delayed until his/her return **home**.
- The **journey** was not made to get treatment abroad. There is no cover under the *Complementary Treatment* section when **your pet** is outside the **UK**.

Who needs to carry out Veterinary Fees and Complementary Treatment?

If these requirements are not met, the treatment will not be covered by the policy. Claiming

It's distressing when a much loved pet is ill or **injured** so **we** do all **we** can to make the claims process as quick and easy as possible. There's lots of useful information on **our** website petplan.co.uk/claims where **you** can download a claim form or track the progress of an existing claim at **your** convenience. This section tells **you** what **you** need to send **us** if **you** claim. Don't forget, if **you** have a valid claim under the *Veterinary Fees* section **we** can usually pay the veterinary practice direct.

Getting a claim form

- Most claim forms can be downloaded from **our** website petplan.co.uk/claims.
- Most veterinary practices will have a supply of *Veterinary Fees* claim forms and some are able to submit them electronically.
- If **you** would like **us** to send **you** a claim form please contact **us**.

You must send **us your** *Veterinary Fees* and/or *Complementary Treatment* claim(s) no later than one year after **your pet** received treatment. Any claims received

'Void **your** policy' means **we** will cancel **your** policy from the date the fraud occurred. If **we** take this action **you** must repay **us** any claim payments that **we** have made from the date the fraud occurred; this is regardless of whether or not all of the claims were fraudulent. If any other insurer asks if **you** have had a policy void, **you** need to tell them that **your** policy with **us** was void. If **you** do not, this can invalidate any insurance policy **you** hold with any insurer who asks.

after this time will not be covered by the policy. If treatment is ongoing **you** must make sure that claims are sent to **us** at least once every 12 months. For all other sections of cover, **you** can find out when **you** need to submit a claim by reading the 'Conditions' part of that section.

You need to tell us about any incidents that could lead to a Third Party Liability claim

If an incident happens that could lead to a *Third Party Liability* claim **you** must call to tell **us** about it as soon as possible. **You** must do this even if **you** don't believe that a claim will be made against **you** at the time. Details of what **you** need to do if an incident happens can be found in 'Conditions for Third Party Liability' point 2, on page 16.
